The attached letter is forwarded for your information and action. Mr. Rorke Sr.'s statement that at one time his son cooperated with CIA in flights over Cuba is not correct. We are also attaching for your information copies of some of the news articles that have appeared on Rorke Jr. In the summer of 1960 OO/C made a couple of contacts with Rorke Jr. other than this there has been no CIA interest in him. Alexander I. Rorke, Jr., from information available, appears to be a mercenary and adventurer. We would appreciate a copy of any reply sent to Mr. Rorke Sr.

M/R: 201-280990 (3 Volumes) of FBI reports) reviewed. No Agency interest other than OO/C in 1960. Also checked out with George Ladner who stated SAS had no knowledge of what happened to either Rorke or Sullivan and had no operational interest in either of these individuals at any time.
